

## Marketing Opportunity

### **Continuing Education Class:**

It is very important for professionals in the Property Management field to attend a CE class each year to retain designations and/or licenses. We offer a class that is designed specifically for the Property Management field each year. This class will be held Friday, May 16<sup>th</sup> at Chenal Lakes Clubhouse. We are asking for various levels of sponsorships for this class. (The Premier Sponsorship for this class has been reserved) This year we are offering the CE class on a separate day from the General Membership Meeting. These sponsorships will have the opportunity to mingle with the on-site personnel without other suppliers. Their material will be displayed throughout the day on a special table. If they want to do a give-away, they will have the opportunity.

The **morning sponsor** can arrive during the time that the class arrives to the class. Marketing Materials are welcomed. The supplier sponsor will be introduced before the class starts. Signage will be displayed throughout the morning until lunch. We will provide coffee and snacks with their sponsorship.

**Morning Sponsor:** \$100

The **lunch sponsor** will arrive for the 30 minute lunch and network during this time. The supplier sponsor will be introduced during lunch. We will provide box lunches with their sponsorship. Signage will be displayed throughout the day with the other sponsorships. Marketing Materials are welcomed.

**Lunch Sponsor:** \$200

The **afternoon sponsor** will be recognized for the afternoon portion of the class. Cookies will be set out with their sponsorship. Signage will be displayed after lunch until the end of the class.

**Afternoon Sponsor:** \$75
